## TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

**Extensions of time** are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

**Failure to timely respond** to this notice will result in:

**Abandonment** of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

**Non-entry** of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

/William C. Vaughn, Jr./

Supervisory Patent Examiner, Art Unit 2444

Continuation of 4(e) Other: Applicant's filed amendments are not proper for at least given reasons: Applicant's response to non-final is based on different set of claims than the set of claims presented in non-final. Applicant's is using original claims filed on 06/19/2006 in response to the non-final rejection mailed on 12/24/2009, however, non-final mailed was based on set of claims provided in preliminary amendment by applicant. Examiner further noticed in "remarks", that applicant is now requesting to use original European claims instead of set of claims examined by examiner without underlining the contents added into claims. Applicant should review all of the amendments to ensure that the marking completely and accurately reflect all the changes made to the instant claims.
